

**SOUTHEASTERN SOCIETY OF ORAL
AND MAXILLOFACIAL SURGEONS
APPLICATION
FOR DUES EXEMPT STATUS**

Please check the dues exempt status for which you are applying:

LIFE

An active member may apply for the status of life membership:

1. Upon the completion of thirty (30) dues paying years and within the calendar year upon reaching the age of sixty-five (65), OR

2. Upon completion of thirty-five (35) dues paying years, OR

3. Upon reaching the age of seventy (70) and have been an active member for a period of ten (10) years, OR

4. Upon reaching the age of sixty-five (65), active members who were active in their state or territorial society when they became affiliated with the SSOMS and have completed thirty (30) years of fellowship in the American Association of Oral and Maxillofacial Surgeons.

RETIRED

Retired membership shall be granted to an active or associate member should the active or associate member completely retire from the practice of oral and maxillofacial surgery.

INACTIVE

An inactive member is one who derives no income from the active practice of oral and maxillofacial surgery. Active practice is the performance of any activities requiring licensure or permit in dentistry or medicine in the state or oral and maxillofacial surgery specialty licensure, where applicable. An inactive member shall not have the privileges of a member, except that he may retain his membership certificate and will be listed in the SSOMS directory. Years in inactive status will not accrue towards life or retired membership.

NOTE: Life status applicants must remit dues through the year in which they become eligible.
Retired status must remit dues through the year in which they are elected.

Please print name here.

I hereby certify that I qualify for the dues exempt category indicated above.
